Volvo 90 Day Finance Advantage for FM11

Available at participating Volvo Trucks dealerships to approved business applicants for new Volvo FM11 stock vehicles financed through Volvo Financial Services (VFS). The offer applies only to the approved FM11 stock units included in this campaign and is only available on a chattel mortgage finance arrangement on a 60-month (5 years) term at a customer rate of 7.5% p.a., with equal monthly repayments in arrears.

For eligible transactions, Volvo Group Australia Pty Ltd (VGA) will pay the first 3 scheduled monthly repayments, meaning the first scheduled payment that the customer is responsible for is due in month 4, subject to finance approval and eligibility. The funded amount is based on $310,000 including GST and on-road costs (Stamp duty and single trailer registration). Actual vehicle price, amount financed, repayments and VGA contribution may vary.

VGA's contribution is limited to the first three scheduled payments under an approved finance contract, up to a maximum of $20,000 per vehicle. The amount contributed may vary depending on vehicle price, configuration and transaction factors.

Offer ends 31 October 2026. While stocks last. Standard fees and charges apply (option to fund these amounts as part of the loan is subject to approval). Full terms and conditions are available on application. Finance is subject to eligibility, credit assessment and approval. Not available to government or fleet buyers, or with any other offer or promotion unless stated otherwise. Please refer to your Volvo Truck dealer for the list of eligible FM11 stock units. VFS reserves the right to extend, change or withdraw this offer at any time. Any amendment, extension or withdrawal will not affect approved finance contracts entered into prior to the date of the change.
